

At Footlocker.com we know you see dot-com and think "Sure, it's a great place to shop, but I'm not going to buy anything." That's why we made sure it was safe. Our proven award-winning system is protection against any high-tech funny business. We also ship most credit-approved purchases within 24 hours. And if you have a problem with any one of your purchases, exchange it -- at one of our 2500 locations.

Footlocker.com takes the fear out of dot-com.

So go ahead, use that plastic.
