

AT&T
YOUR TRUE VOICE
TRUEVOICE TECH CENTER
TV :60

ANNOUNCER: It's the world's most advanced long distance network . . . AT&T.

Yet now it's surpassed itself . . . to bring you the most lifelike
sound ever . . . with a patented Bell Labs breakthrough in digital
voice reproduction called AT&T TrueVoice. You get the
truest sound anywhere . . . just because you're with AT&T.
