

THE OLIVE GARDEN

This is Grandpa Giovanni.

Nobody tells stories like he does.

Give him good food and good people, he'll charm you all night.

**That's how it was at The Olive Garden, where everybody feels more like
family, more Italian.**

Then out comes the Chicken Scampi -- it was perfect!

**Pasta and sauteed chicken covered with a rich garlicky sauce, plus all the
salad and breadsticks you want for only \$8.95.**

What a feast for all of us, and our ears too.

The Olive Garden.

While you're here, you're family.
