

BUILT FOR THE NORTHWEST FUSION

YOUTH , MALE V.O.:

**The best of everything comes together in the Northwest.
Kinda like the all-new Ford Fusion.**

**An entirely new mid-size sedan that's both a power
player...**

And a born performer.

That's as big on economy...

As it is on space.

That turns heads...

Rocks steady...

And drives clean.

Now lease the all-new Fusion for \$000/mo.
