

Andrew

Wow, did you just see what happened
between me and Caroline?

KEITH

She was being nice to you. It was
obligatory -- like petting the family
dog.

ANDREW

The sexual electricity was palpable.

KEITH

Where have I heard that before?

ANDREW

March issue, "Penthouse" letters.

KEITH

Very strong issue.

ANDREW

It's in the blue backpack.

KEITH

Just keep in mind, she's a senior.

ANDREW

So what?

KEITH

There's a gulf.

ANDREW

What gulf?

KEITH

A gulf, a huge abyss.

ANDREW

What abyss?

KEITH

Between a freshman guy and a senior girl.

ANDREW

Are you saying it can't happen?

KEITH

I'm saying it violates the laws of the universe.

ANDREW

Then the universe must change.

KEITH

That's a tall order.

ANDREW

Try taking a hot shower in a house full of hygenically-minded women.

KEITH

I would love to.

ANDREW

(RE: CAROLINE) "How fate doth impede the paths of star-crossed lovers."

KEITH

Wow. Edward III?

ANDREW

March Penthouse. Very strong issue.
