INT. LEISURE VILLAGE LOBBY - DAY

As Greg turns the corner he hears someone call out his name.  
It's Holly Hills. He's definitely surprised.

HOLLY HILLS

Hi!

Greg looks around and behind. Is she talking to him?

GREG

Oh, hi, Holly. What are you doing here?

HOLLY HILLS

I live here.

GREG

You do?

HOLLY HILLS

Yeah, I'm a really young looking  
84.

Greg doesn't know how to react. Is she making fun of him or  
being friendly?

GREG

You must work out.

Holly laughs.

HOLLY HILLS

I'm actually visiting my  
Grandmother. She just moved here.  
You?

GREG

My Grandpa.

HOLLY HILLS

Listen, Greg, I am really sorry for  
calling you Fregley the other day.  
I don't know what happened. I think  
it's the "Greg" and the "Freg" part  
- my brain just flipped and...

GREG

You called me Fregley? I had no  
idea.

HOLLY HILLS

Really?

A beat. Why pretend anymore?

GREG

Not really. I heard it - it was pretty rough.

\*

HOLLY HILLS

Fregley's nice, but...

GREG

He's Fregley. And he's not that nice.

\*

\*

HOLLY HILLS

(laughs)

Well I didn't want to say. Is it true he has a scab collection?

\*

\*

\*

GREG

I have NO idea. With Fregley I have a strict don't ask, don't tell policy.

\*

\*

\*

\*

HOLLY HILLS

What happened?

Greg notices Holly looking at the milk stain on his shirt.

GREG (CONT'D)

Oh, my brother spit milk on me.

HOLLY HILLS

Nice.

\*

GREG

Actually, it may be the nicest thing he does to me for the rest of my life.

HOLLY HILLS

Do you guys fight?

GREG

Yeah. We didn't for a while there, and it was actually fun, but... that's over.

\*

\*

HOLLY HILLS

My sister, she's 16. Last week she put hair remover in my shampoo. If I hadn't smelled something I'd be completely bald by now.

\*

\*

\*

\*

GREG

Why would she do that?

HOLLY HILLS

Duh. Because she's my older sister.  
And then I have a little sister,  
who is spoiled rotten.

GREG

Tell me about it. My little brother  
ruins all my stuff and somehow I'm  
the one who ends up getting in  
trouble for it.

\*  
\*  
\*  
\*

HOLLY HILLS

Doesn't that drive you nuts?

HOLLY'S GRANDMOTHER calls out...

HOLLY'S GRANDMOTHER

Holly. Time for dinner.

\*

A beat. They were having fun.

HOLLY HILLS

Anyway, I should probably go help  
my Grandma. She likes me to pre-  
chew her food.

\*  
\*

Greg isn't sure...

\*

HOLLY HILLS (CONT'D)

Not really. Hey, it was nice  
talking to you,  
(with emphasis)

Greg.

\*  
\*

GREG

Yeah, you too.  
(with emphasis)

Fregley.

She laughs.

HOLLY HILLS

I'm here tomorrow too. I'll look  
out for you.

\*  
\*

Holly walks away to her grandmother.

GREG (V.O.)

I thought being at Grandpa's was a  
punishment, but really, it was  
destiny that Holly was here too.  
My luck had finally changed.
