INT. LIVING ROOM - DAY  
(MELISSA, JENNIFER)

Scene  
1

JENNIFER IS DRAWING A DESIGN ON A SKETCH PAD. MELISSA ENTERS AND THROWS HER BACKPACK DOWN.

MELISSA

This is the worst day of my life.

JENNIFER

Wasn't that yesterday?

MELISSA

Today is worse. Carly dis-invited me to her sleepover tonight.

JENNIFER

I thought Carly was your best friend.

MELISSA

Not anymore. Lisa told her that she heard I told Taylor something about her that I didn't say but when I told her that I didn't say it she said I did and now she hates me.

JENNIFER

Lisa?

MELISSA

Carly! My life is over.

JENNIFER

Well, honey, you've had 10 and a half good years.

MELISSA

Mom...

MELISSA FIGHTS BACK TEARS.

JENNIFER

Look, it's not worth crying over. I have an idea how we can make tonight really special.

MELISSA

Are you going to do the "mom thing" where you say we should have our own sleepover?

JENNIFER

Okay, now for my second idea. How about we pop a big bowl of popcorn, curl up on the couch, make a voodoo doll of Carly and stick it full of pins.

MELISSA

I like that. Will it work?

JENNIFER

It worked on your Aunt Janice.

MELISSA LAUGHS AND CUDDLES UP TO JENNIFER.

MELISSA

Will you give me a pedicure?

JENNIFER

Sure. A mani, a pedi. We'll order a pizza and stay up as late as we want.

MELISSA

Awesome!

MELISSA'S CELLPHONE RINGS. SHE CHECKS THE CALLER ID.

MELISSA (CONT'D)

Hi, Carly...No, nothing special. I'm  
just here with my Mom...Really?  
Now?...Sure, I'll be right over.

SHE CLOSES HER CELLPHONE.

MELISSA (CONT'D)

Lisa told Carly I didn't say what she  
thought I said. Can I go?

JENNIFER  
(teasing)

Oh, I see. You're going to do the  
"daughter thing" where you tell me  
your life is over, I drop everything  
to take care of you, and you dump me  
the second your friends call.

MELISSA

Yeah. You going to be okay?

JENNIFER

Sure. Dis-invite me. It's just the  
worst day of my life.

MELISSA

Thanks, Mom.

## MELISSA AUDITION SCENE - 2

INT. FRED'S OFFICE - DAY  
(MELISSA, FRED)

FRED IS WORKING AT THE COMPUTER. MELISSA ENTERS WITH A GLASS OF ICED TEA.

MELISSA

Dad?

FRED

Hey, sweetie.

MELISSA

I brought you iced tea with lemon.

Just the way you like it.

FRED TAKES A SIP.

MELISSA (CONT'D)

Is it good?

FRED

Delicious. Thanks.

SHE CONTINUES TO STARE AT HIM.

MELISSA

Maybe you'd like to ask if there's something I want?

FRED

Mmm. Not really.

5/6

MELISSA

Well, there is. I was thinking maybe it would be possible...now don't say "no" until you hear what I have to say...that I could maybe have a TV in my room.

FRED

When can I say no?

MELISSA

You didn't even think about it.

FRED

I'm sorry.  
(Thinks a beat)

No.

MELISSA

Taylor Dent is so lucky. Her parents are divorced and she gets a TV in her room at both houses. And her Dad's new girlfriend got Taylor a flat screen TV so that she'd like her, but Taylor hates her guts and she got to keep the TV anyway.

FRED

I'll tell you what, if your Mom ever lets me have a girlfriend, you'll be the first one to get a TV.
